- maximum study duration: 9 semesters
- courses vs. modules
 - courses are accredited via modules; each course can be counted in only one module
 - course-module mapping:
IMS course list via C@MPUS (Faculty 5 – Institutes of CS – NLP – Courses), column “SPO”
- module exam registration is obligatory
 - online registration: C@MPUS
 - for modules containing several courses, register in the semester in which you will finish all parts
 - registration only possible during official registration period (as announced by the University: May/June & November/December) – otherwise participation not allowed (screenshot of registrations recommended)
- postponing / repeating exams
 - you can withdraw from an exam until 7 days before the exam takes place (otherwise, a medical certificate is needed as soon as possible in order for the exam not to count as “failed”)
 - failed exams can be repeated once (within 2 semesters; re-registration necessary!)
 - a second repetition of a module exam is only allowed in 3 cases in total
- a completed “module table” has to be handed in via ILIAS for each semester before your grades will be entered:
